
N11/M11 Junction 4 to Junction 14 Improvement Scheme

Bulletin #3 23rd March 2020

1. In response to the Irish Government and National Public Health Emergency Team's latest guidelines the N11/M11 design team have taken the decision to suspend all face to face meetings with landowners and other interested parties until such a time as it is considered safe to resume these meetings.

Please be advised however that consultation remains ongoing and the Arup Public Liaison Officer remains readily available and contactable by phone on 086 8901803 or via email at n11m11@arup.com to address queries. We will continue to monitor developments and follow all appropriate HSE guidelines going forwards. We thank you for your patience and understanding at this time.
