

## **N11/M11 JUNCTION 4 TO JUNCTION 14 IMPROVEMENT SCHEME**

**Bulletin #11**

**14 December 2021**

### **Publication of Phase 2 Option Selection Report**

The Option Selection Report is now available to view on the project website at the following link:

<https://n11m11.ie/maps/>

The Option Selection Report represents the primary deliverable for Phase 2 of the project as outlined in the TII Project Management Guidelines. The purpose of the Option Selection Report is to document each step in the analysis during Phase 2 of the project, recording both the assessments and decisions undertaken to identify and make recommendation on the preferred option for the scheme.
